MEMORANDUM FOR ACTING CHIEF, ICAPS

Subject: ICAPS Coordination Program

Reference: ICAPS Memorandum dated 18 September -
Subject: Coordination Program

1. Special Operations has an urgent need for the establishment of basic intelligence terminology and also for a defined policy concerning the release of information to foreign governments. These two subjects are given as Projects II, 11 and 12 respectively, in reference memo. Accordingly, I recommend these projects be given a higher priority than proposed in reference memo.

2. No deletions from or additions to Projects are recommended at this time.
